## *Council Agenda Memo*

**From:** Jose Dominguez, City Engineer

**Meeting:** May 15, 2023

**Subject:** First Reading of Ordinance 1481 – Amending the 2012 Joint Zoning Regulations for Clay County and the City of Vermillion by Amending Chapter 2 Districts and Boundaries; Section 2.07 Classification of Land Coming Within the Joint Zoning Jurisdiction.

**Presenter:** Jose Dominguez

**Background:** The City and the County governing bodies met June 1, 2022 to discuss how to improve the Joint Zoning agreement between the City and the County. At the conclusion of that meeting, the governing bodies asked staff to bring forward amendments to improve the process for rezoning and possible amendments to the LI: Light Industrial District found in the JJZA.

The City and County Planning and Zoning Commissions met jointly several times in 2022 to discuss possible amendments to the zoning ordinance. The changes discussed would be to chapters 2, 6, 14, and 19.

On March 27, 2023, the City and County Planning Commissions met to consider the amendments being proposed. After review and public comments, the City's Commission recommended unanimously that the City Council adopt the ordinance as proposed. The County's Planning Commission made a similar recommendation to the County's Board of Commissioners.

**Discussion:** The Joint Jurisdictional Zoning Area (JJZA) was adopted by the County and the City in 2012. The ordinance was created with the intent to allow the County and the City to each have a say in existing and proposed land uses in an area that would directly impact the City's growth. The JJZA tries to maintain the rural characteristics of the surrounding area, while allowing for some light development. The ordinance's intent, based on the adopted comprehensive plan for the JJZA, is to direct development towards areas within City limits or areas that can be annexed by the City and serviced with municipal infrastructure.

The proposed amendments would create a table that specifies the zoning district a property enters when coming into the JJZA. This would only affect property that is directly affected when the JJZA boundary is enlarged.

**Financial Consideration:** Besides publishing the ordinance in the minutes, the City will not incur any additional costs.

**Conclusion/Recommendations:** Staff and the Planning and Zoning Commission recommend that the City Council advance the ordinance as proposed for consideration to a 2<sup>nd</sup> reading at a Joint Meeting with Clay County currently planned for June 5, 2023.

**PROPOSED ORDINANCE 1481**

**AN ORDINANCE AMENDING THE 2012 JOINT ZONING REGULATIONS FOR CLAY COUNTY AND THE CITY OF VERMILLION, CHAPTER 2 DISTRICTS AND BOUNDARIES; SECTION 2.07 CLASSIFICATION OF LAND COMING WITHIN THE JOINT ZONING JURISDICTION.**

**BE IT ORDAINED**, by the Governing Body of the City of Vermillion, South Dakota that Chapter 2: Districts and Boundaries; Section 2.07 Classification of Land Coming Within the Joint Zoning Jurisdiction be amended to include a table dictating into which zoning district land comes into when the boundary of the Joint Zoning Jurisdiction is expanded. All other portions of Chapter 2: Districts and Boundaries will remain as they are. Following is the amendment:

## *Council Agenda Memo*

**From:** Jose Dominguez, City Engineer

**Meeting:** May 15, 2023

**Subject:** First Reading of Ordinance 1482 – Amending the 2012 Joint Zoning Regulations for Clay County and the City of Vermillion by Amending Chapter 6 Light Industrial District; Section 6.01 Permitted Uses; and Section 6.02 Conditional Uses.

**Presenter:** Jose Dominguez

**Background:** The City and the County governing bodies met June 1, 2022 to discuss how to improve the Joint Zoning agreement between the City and the County. At the conclusion of that meeting, the governing bodies asked staff to bring forward amendments to improve the process for rezoning and possible amendments to the LI: Light Industrial District found in the JJZA.

The City and County Planning and Zoning Commissions met jointly several times in 2022 to discuss possible amendments to the zoning ordinance. The changes discussed would be to chapters 2, 6, 14, and 19.

On March 27, 2023, the City and County Planning Commissions met to consider the amendments being proposed. After review and public comments, the City's Commission recommended unanimously that the City Council adopt the ordinance as proposed. The County's Planning Commission made a similar recommendation to the County's Board of Commissioners.

**Discussion:** The Joint Jurisdictional Zoning Area (JJZA) was adopted by the County and the City in 2012. The ordinance was created with the intent to allow the County and the City to each have a say in existing and proposed land uses in an area that would directly impact the City's growth. The JJZA tries to maintain the rural characteristics of the surrounding area, while allowing for some light development. The ordinance's intent, based on the adopted comprehensive plan for the JJZA, is to direct development towards areas within City limits or areas that can be annexed by the City and serviced with municipal infrastructure.

The proposed amendments would move uses that may be seen as offensive by adjoining residential uses from “permitted” to “conditional.” Moving the uses into the conditional use category would require having a public hearing for the proposed use. This would allow the public to comment on the proposed use and, if necessary, for the Planning Commissions to place conditions on the proposed use. Only two uses are recommended to be removed, one is the “Billboard Signs” and the other is “Storage Facility.” This is because the signs are addressed in Chapter 152 of the 2008 Revised Code of Ordinances of the City of Vermillion, and “Storage Facility” is already allowed in the district as a “warehouse, mini-warehouse.”

**Financial Consideration:** Besides publishing the ordinance in the minutes, the City will not incur any additional costs.

**Conclusion/Recommendations:** Staff and the Planning and Zoning Commission recommend that the City Council advance the ordinance as proposed for consideration to a 2<sup>nd</sup> reading at a Joint Meeting with Clay County currently planned for June 5, 2023.
