3. Discussion of possible uses of CARES Act funding - John Prescott

John Prescott, City Manager, reported that the State of South Dakota is providing \$200 million of the federal CARES Act funds to cities and counties. The City of Vermillion's allotment of these funds is \$2,470,104 which can be used to reimburse expenditures for COVID related expenses such as personal protective equipment, hand sanitizer, gloves, plastic dividers, etc. and also for wages and benefits for public health and public safety employees which includes Police, Fire, E911 and Ambulance employees. John noted that, as the City has already budgeted for most of these salaries, the reimbursement will leave the City with funds that can be used to benefit the citizens now or into the future. John noted that this is an item that will be discussed during the budget meetings next week but has not been included in the budget. John reviewed his recommendations on possible uses of the funds which included \$500,000 to the equipment replacement fund to hold down general fund annual rents and provide funds for a fire truck replacement in 2023; \$225,000 transfer to water fund to avoid a water rate increase in 2021; \$225,000 to assist with the Highway 50 storm drainage project estimated at \$2.5 million that is planned for next year; \$50,000 transfer to curbside recycling for lost revenue for the two months it was shut down and funding for a cardboard compactor to assist with collection; retain \$500,000 for future COVID expenses that may not be reimbursed which in a year when more is known about the funding, make a decision; transfer \$100,000 to the golf course for lost revenue; transfer \$100,000 to the BBB sales tax fund as with the reduced tax revenues we are using reserves; use \$200,000 for joint replacement project on Dakota Street north of Cherry Street and Main

Street east of Plum Street; use of about \$60,000 to convert to LED lights in City buildings and upgrade the audio visual equipment in the City Council Chambers that is ten years old but do not have the cost estimate at this time. Alderman Ward stated that they will continue to review options. Mayor Collier-Wise stated that the first reading of an ordinance to continue to allow license holders to obtain special event licenses is later on the agenda.

8. New Business

A. Face covering requirement for City owned buildings

John Prescott, City Manager, reported that, as the COVID-19 pandemic has evolved, face coverings have been determined to be one of the more effective measures to control the spread of the disease. John noted that, since reopening, City buildings such as City Hall have had entry signage requesting visitors to wear a mask, but the City Council has not adopted a policy to require visitors to a City-owned public building to wear a face mask or face covering. John stated that other safety measures such as hand sanitizing stations, physical distancing markings, and general signage about safe practices are already in place. John stated that USD and the Vermillion Public School District have established practices requiring face masks or face coverings inside of their buildings. John reported that the City Attorney and an attorney for the City's liability insurance company determined that face masks or face coverings could be required for City-owned public buildings. John noted that there may be situations where an individual is not able to wear a face covering, and those will be addressed on an individual basis. John stated that face coverings will also be available at public entrances to buildings to assist those who may not have a face covering immediately available. Discussion followed.

229-20

Alderman Ward moved approval of the adoption of a policy requiring face masks or face coverings adequate to slow the spread of COVID-19 in City-owned public buildings. Mayor Collier-Wise declared the motion adopted.

B. First reading of Emergency Ordinance 1417 requiring the wearing of face coverings or face masks inside of public buildings to slow the spread of COVID-19.

John Prescott, City Manager, stated that, as noted with the last agenda item, face coverings have been determined to be one of the more effective measures to control the spread of the coronavirus. John noted that social distancing and hand washing or sanitizing are also very effective measures which the City has tried to promote. John noted that the Board of Regents and Vermillion Public School District have adopted policies in regard to the use of face coverings on their properties. John noted that from the discussion at the noon meeting the City Council would like to consider a face mask or face covering resolution for the city and an ordinance to require signage that face masks or face covering are expected. John noted that in talking to the City Attorney it was his opinion that the City Council cannot act on a resolution for face masks or face coverings or first reading on a signage ordinance tonight as it was not on the published agenda

Mayor Collier-Wise thanked staff for drafting the ordinance and for the input from the City Attorney and city insurance carrier. Mayor Collier-Wise noted from the noon discussion it is was the consensus that instead of the ordinance an emergency resolution be prepared that states that face masks or face covering are expected in the City of Vermillion. Mayor Collier-Wise noted that the consensus was that an emergency ordinance be prepared to require signage that states that face masks or face coverings are expected within the city and that emergency ordinance No. 1417 be tabled. Discussion followed on the timing of the emergency resolution for the expectation of wearing of face masks or face coverings and the emergency ordinance to require signage that face masks or face coverings are expected be considered at the August 11th special budget meeting. Discussion included contacting the VCDC about the sign requirement and encouraging the placement of the signage to create a consistent message that face masks and face coverings are expected.

230-20

Alderman Willson moved to table consideration of proposed Ordinance No. 1417 until consideration of the emergency resolution for face masks or face coverings are expected and emergency ordinance to require signage for face masks or face coverings are expected. Alderman Hellwege seconded the motion. A roll call vote of the Governing Body was as follows: Hellwege-Y, Holland-Y, Humphrey-Y, Jennewein-Y, Letellier-Y, Price-Y, Ward-Y, Willson-Y, Mayor Collier-Wise-Y. Mayor Collier-Wise declared the motion adopted.

#### C. Combined election agreement with Clay County for Home Rule Charter

Mike Carlson, Finance Officer, reported that, at the July 20th meeting, the City Council approved submitting the Home Rule Charter to a vote at the November 3rd general election contingent upon County approval of a joint election. Mike reported that State statute provides for combining elections and encourages entities to enter into agreements as to the duties and responsibilities. Mike stated that contact was made with the County Auditor about combining the Home Rule Charter election with the November 3rd general election which would require an agreement between the County and City. Mike reported that the County Commission approved the combined election agreement at their July 28th meeting with the cost to the city being \$2,800. Mike recommended approval of the combined election agreement. Discussion followed on the combined election agreement.

231-20

D. Developer's agreement with Nutrien Ag Solutions, Inc. Owner of Heikes Tract 2, SE ¼, SE ¼, Exc. Heikes Addn, 7-92-51, City of Vermillion, Clay County, South Dakota

Jose Dominguez, City Engineer, reported that Nutrien Ag Solutions (Nutrien) is finalizing the plans to begin construction of a large ag retail facility at the northwest corner of the intersection of 317th Street and North Crawford Road. Jose stated that the new construction will have access off 317th Street and in the future, once the improvements are completed on North Crawford Road, Nutrien would be able to have additional access points off North Crawford Road. Jose noted that City ordinance requires that the property owner construct sidewalks, grading, curb and gutter, street surfacing, street lights, water and sewer improvements on all streets abutting a property to be developed. Jose stated that the lot in question fronts 317th Street and North Crawford Road (or 465th Street). Jose reported that the developer's agreement will require that the owner do the following: 1) Complete the construction of North Crawford Road (or 465th Street), water mains and sanitary sewer mains when the City Council requests the completion, or when a future development would utilize the street, 2) Will not remonstrate against any assessments required for construction of any of the mentioned improvements. Jose reported that the agreement has been reviewed by the City Attorney.

John stated that the proposed budget will be reviewed during budget sessions scheduled for 6:00 p.m. on August 11th and 12th in the Council Chambers on second floor of City

Hall. John reviewed some of the major items included in the budget noting the CARES Act funding will need to be finalized.

F. First reading of Emergency Ordinance 1418 to amend Title XI, Chapter 112 amending Section 112.01 Special Event Definitions and 112.18 amending Special Event Licensing to include current license holders

John Prescott, City Manager, reported at the June 15, 2020 regular meeting and a special meeting on June 22, 2020, the City Council completed two readings and adopted Emergency Ordinance No. 1415. John stated that the emergency ordinance amended the special event definition and provided that current license holders could apply for a special event license. John stated that the emergency ordinance is only for a sixty-day period and expires on August 24, 2020 at midnight. John stated that the request was made to consider first reading of the ordinance to allow for it to continue for another sixty-days to provide the option of the license holders to obtain special licenses to expand into the closed parking spaces. John noted that with second reading there are several other issues that will need to be addressed: 1) establishing the special daily fee, 2) closing of parking spaces to be used for outdoor seating areas, 3) license holders will need to make application for the special daily licenses, 4) Council will need to set hours of operation and, as the license can be for only 15 consecutive days, will need to determine what days to be closed to sales and, with this sixty-day period covering Dakota Days, how to address the issue for the parade. Discussion followed noting that currently it is not known which license holders will want to apply for the special license.

233-20

Mayor Collier-Wise read the title to the above mentioned Ordinance and Alderman Hellwege moved adoption of the following Resolution:

BE IT RESOLVED that the minutes of this meeting shall show that the title to proposed Emergency Ordinance No. 1418 entitled An Ordinance Amending sections 112.01 and 112.18 special events definitions and to expand special licensing to include special on-sale liquor licenses issued to current license holders of the City of Vermillion, South Dakota has been read and the Ordinance has been considered for the first time in its present form and content at this meeting being a regularly called meeting of the Governing Body of the City on this 3rd day of August, 2020 at the Council Chambers in City Hall in the manner prescribed by SDCL 9-19-7 as amended.

A. Emergency Resolution Encouraging Face Covering to be Worn in Public Buildings

John Prescott, City Manager, reported that face coverings have been determined to be one of the more effective measures to reduce the spread of the coronavirus. John noted that, over the last couple of weeks, the Board of Regents, the Vermillion Public School District, and the City of Vermillion have adopted policies in regard to the use of face coverings in their buildings. John stated that, at the last meeting, the City Council considered, but did not adopt, an ordinance requiring face coverings or face masks in buildings open to the public and staff was directed to prepare a resolution which would encourage the use of face masks or face coverings in buildings open to the public. John reported that two resolutions were included in the packet. John noted the end result of both resolutions is to encourage the wearing of face coverings or face masks. John noted that one version of the resolution includes

the various exceptions that were provided when the ordinance to require face coverings or face masks was considered and the other version of the resolution does not list all of the exceptions, but notes that there are situations where a face mask or face covering cannot be utilized and encourages individuals in these instances to use other protective measures. John stated that a resolution does not necessitate the establishment of a fine for not adhering to the guidance provided. John noted that, during the discussion on the ordinance requiring a face covering or face mask, the attorney for the City's liability insurance company offered that a resolution would be a better approach than an ordinance. John stated that this is an emergency resolution that will have a 60-day life unless changed by City Council action and, as such, continuation of the resolution will be included on each agenda during the 60-day life of the emergency resolution. John recommended adoption of the shorter resolution as it does not include all the exceptions but encourages the use of face coverings. Discussion followed on the two options with the suggestion to remove one of the WHEREAS paragraphs.

238-20

After reading the same once, Alderman Holland moved adoption of the following:

EMERGENCY RESOLUTION CREATING AN EXPECTATION  
OF FACE COVERING DURING COVID-19 PANDEMIC

WHEREAS, an outbreak of the COVID-19 disease, which is caused by the novel coronavirus, has been confirmed in more than 100 countries, including the United States; and

WHEREAS, COVID-19 is a severe respiratory disease transmitted by person-to-person contact, which especially among older adults and persons with serious underlying health conditions, can result in serious illness requiring hospitalization, admission to an intensive care unit, and death; and

WHEREAS, the World Health Organization (WHO), the Centers for Disease Control and Prevention (CDC), and the Secretary of the United States Department of Health and Human Services have declared the outbreak of COVID-19 as a public health emergency; and

WHEREAS, Governor Kristi Noem issued Executive Order 2020-26 which extended the previously declared state of emergency to exist in the State of South Dakota in response to the spread of COVID-19 until December 30, 2020; and

WHEREAS, cases of COVID-19 have been confirmed throughout South Dakota including Clay County; and

WHEREAS, the CDC and health experts have advised the use of face masks or face coverings over the nose and mouth will slow the spread of COVID-19; and

WHEREAS, the failure to successfully reduce the spread of COVID-19 will likely result in higher numbers of infected individuals and has the potential to overwhelm the capacity of the City's health care providers; and

WHEREAS, it is important that control measures be taken to reduce or slow down the spread of COVID-19 in order to protect the health and safety of the City's residents, especially for seniors and those with underlying health conditions that make them particularly vulnerable to COVID-19; and

WHEREAS, the South Dakota Board of Regents announced the requirement of face coverings or face masks for all students, faculty, staff and visitors in all public indoor spaces on the University of South Dakota campus; and

WHEREAS, the Vermillion Public School District will be requiring face coverings or face masks for students, faculty, staff and visitors in school district facilities; and

WHEREAS, the Vermillion City Council has adopted a face covering policy requiring face coverings or face masks for staff and visitors in city owned building; and

WHEREAS, there is an expectation in the city of the importance of wearing face coverings or face masks while inside public spaces by all residents, visitors or guests.

NOW, THEREFORE, IT IS RESOLVED, by the Governing Body of the City of Vermillion that:

1. All persons entering a commercial establishment in the City of Vermillion are encouraged to wear a face covering or face mask while inside the establishment.

2. All restaurants, retail stores, salons, grocery stores, establishments selling alcohol, pharmacies, lodging establishments, exercise facilities, establishments offering goods and services, or soliciting patronage from the general public are encouraged to require their employees to wear a face covering or face mask at all times while having face-to-face interactions with the public.

3. It is also understood that there are individuals that due to health or other reasons cannot wear a face mask or face covering and/or other situations where face masks or face coverings cannot be worn and in these instances individuals are encouraged to use other protective measures such as social distancing.

BE IT FURTHER RESOLVED, that, pursuant to SDCL 9-19-13, this resolution is necessary for the immediate preservation of the public peace, health, safety, and welfare of the City and shall become effective immediately upon passage. This resolution shall remain in effect for a period of sixty (60) days, at which time it shall be automatically repealed unless specifically readopted for an additional period of time by the City Council.

Dated at Vermillion, South Dakota this 11th day of August, 2020.

CITY OF VERMILLION, SOUTH DAKOTA

Michael Carlson, Finance Officer

The motion was seconded by Alderman Hellwege. Discussion followed and the question of the adoption of the Resolution was presented for a vote of the Governing Body. A roll call vote of the Governing Body was as follows: Hellwege-Y, Holland-Y, Humphrey-Y, Jennewein-Y, Letellier-Y, Price-Y, Ward-Y, Willson-Y, Mayor Collier-Wise-Y. Mayor Collier-Wise declared the motion adopted.

B. First Reading of Emergency Ordinance 1419 to Require Signage at the entrance to buildings open to the public that states Face Coverings Expected

John Prescott, City Manager, noted that, with the last agenda item, the City Council was considering a resolution to promote the use of the face coverings or face masks inside of buildings which are open to the public. John noted that the City Council at the August 3, 2020 regular meeting expressed interest in having a signage requirement that buildings open to the public would need to meet to help promote a community culture of wearing a face mask or face covering. John stated that the proposed ordinance will require businesses to have a sign which reads "Face Mask or Face Coverings Are Expected". John noted that the City has been working with the University of South Dakota to promote continuity of signage across the community. John noted that a business does not have to use

the templates which will be available on the City's website but will need to provide the same message that face masks or face coverings are expected. John stated that the sign must be at least 8.5" x 11" and placed at the entrance or entrances to the business. John stated that a sample of the template is included with the packet. John stated that the proposed ordinance is an emergency ordinance to provide the City Council with the ability to more quickly implement the requirement to address the ongoing, immediate health issue. John stated that an emergency ordinance would have a life of 60-days. John noted that, if adopted, the second reading of Emergency Ordinance No. 1419 would be part of the regular meeting agenda on Monday, August 17, 2020 and could be effective immediately following adoption. John noted that, as with all ordinances, a fine amount needs to be established for violation of an ordinance which is usually set with the second reading of an ordinance. Discussion followed on the wording for the sign to be in a visible location near the entrance(s) with the wording "masks or face coverings are expected pursuant to City Resolution."

239-20

Mayor Collier-Wise read the title to the above mentioned Ordinance and Alderman Willson moved adoption of the following Resolution:

BE IT RESOLVED that the minutes of this meeting shall show that the title to proposed Ordinance No. 1419 entitled an Emergency Ordinance Requiring Signage at the entrance to buildings open to the public that states Face Coverings Expected pursuant to City Resolution, of the City of Vermillion, South Dakota has been read and the Ordinance has been considered for the first time in its present form and content as amended at this meeting being a special called meeting of the Governing Body of the City on this 11th day of August, 2020 at the Council Chambers in City Hall in the manner prescribed by SDCL 9-19-7 as amended.

The motion was seconded by Alderman Holland. After discussion, the question of adoption of the Resolution was put to a roll call vote of the Governing Body was as follows: Hellwege-Y, Holland-Y, Humphrey-Y, Jennewein-Y, Letellier-Y, Price-Y, Ward-Y, Willson-Y, Mayor Collier-Wise-Y. Mayor Collier-Wise declared the motion adopted.

## 6. Budget Workshop - 2021 Budget

John Prescott, City Manager, provided an overview of the budget noting that the budget presented should serve as the starting point for the process of developing the 2021 budget. John noted that overall this is a relatively flat budget as to growth but will address some large projects. John reported that for the property tax revenues the State regulated inflationary increase is 1.7% plus growth so the budgeted property tax revenue increased \$113,000. John stated that the sales tax

revenues budgeted for 2020 and 2021 were kept the same as the effect of the pandemic are unknown. John stated that the proposed budget supports a wage adjustment of 2.5% as was approved in the union agreement and that no changes are proposed in the number of benefited employees. John noted that proposed budget included a 6% health insurance increase with the actual premiums not known until later this year. John stated that no rate increases were currently projected for electric, water and wastewater utilities for 2021 but that water will need to be reviewed for possible use of additional funds to prevent an increase in 2021. John stated that in October we will receive notice of any electric purchase of power rate increases and wastewater rates are reviewed in April of each year. John noted that storm water fee would increase 3.3% or an estimated revenue increase of about \$8,875 for the community in 2021. John reported that the information was presented on the use of the CARES Act funds at the August 3rd noon meeting and that some direction will be needed on the use of these funds across the organization. John reported that the individual departments will be covering the items in their budget that were revised for 2020 and the 2021 budget items. John stated that he has included a memo on the funding proposed for the outside agencies noting that their funding is in the general fund and BBB sales tax fund which were kept the same due to the uncertainty with sales tax. John stated that the VCDC is scheduled to make their presentation at the Monday noon meeting.

The Council started the review of the 2021 proposed budget, as well as revisions to the 2020 budget, by reviewing the following sections of the budget with the City Manager and department heads: Policy & Administration: Code Compliance; Special Funds: 911 Fund; Public Safety & Security: Police Administration and Investigation, Police Patrol, Fire and Rescue, EMS/Ambulance, Emergency Management, Human Development and Leisure: Public Library, Special Funds: Library Fund; Utility Fund: Joint Powers Landfill, Joint Powers Recycling, Curbside Recycling; Enterprise Funds: Liquor Store; Special Funds: Second Penny sales tax, BID #1, Debt Service Funds: Special Assessments, TIF District No. 5, TIF District No. 6, City Hall Debt Service, Prentis Park Debt Service; Internal Service Fund: Unemployment, Copy/Fax/Postage, Custodial; Maintenance & Transportation: City Hall Maintenance; Policy & Administration: General Government, Finance; Outside Organizations Request: General Fund - Community Services, BBB Fund.

John reviewed the outside agency requests and what funding was included in the proposed budget.

## *Council Agenda Memo*

**From:** John Prescott, City Manager

**Meeting:** August 17, 2020

**Subject:** First reading of proposed Emergency Ordinance 1417 to require the wearing of face masks or face coverings inside of buildings open to the public (tabled from the August 3, 2020 meeting)

**Presenter:** John Prescott

**Background:** The City Council considered Emergency Ordinance 1417 at the August 3, 2020 meeting. The proposed ordinance would require the wearing of face masks or face coverings inside of buildings open to the public. The Mayor had requested the ordinance be drafted and presented for discussion at the August 3, 2020 meeting. Following discussion, the first reading of Emergency Ordinance 1417 was tabled at the August 3, 2020 meeting.

**Discussion:** As discussed and reviewed at the last meeting, the City Attorney and an attorney for the City's public liability insurance carrier expressed reluctance from a legal perspective for the City Council to adopt this ordinance.

Following discussion on August 3, 2020, the City Council directed staff to prepare a resolution which would encourage the wearing of a face mask or face covering in buildings open to the public. A resolution which encourages the use of a face mask or face covering inside of buildings open to the public was approved at the special City Council meeting on August 11, 2020. On August 3, 2020 the City Council also directed staff to prepare an Emergency Ordinance to require businesses open to the public to post signage stating that "Face Masks or Face Coverings are Expected". The first reading of this ordinance which was titled as Emergency Ordinance 1419 was approved at the August 11, 2020 special meeting. The second reading of Emergency Ordinance 1419 is later on this agenda. Staff understood that the adoption of a signage ordinance and a resolution were taking the place of Emergency Ordinance 1417. If that remains the intent of the City Council, there is no longer a need to adopt Emergency Ordinance 1417.

**Financial Consideration:** None.

**Conclusion/Recommendations:** If the policy directions of the City Council are met with the August 11<sup>th</sup> Emergency Resolution and Emergency Ordinance 1419, Administration recommends not approving Emergency Ordinance 1417.

Note – the City Council should remove Emergency Ordinance 1417 from the table before having discussion on the item.

**EMERGENCY ORDINANCE NO. 1417**

**AN EMERGENCY ORDINANCE TO ADDRESS A PUBLIC HEALTH CRISIS BY REQUIRING THE WEARING OF FACE MASKS OR COVERINGS INSIDE OF PUBLIC BUILDINGS TO SLOW THE SPREAD OF COVID 19 (CORONAVIRUS).**

**WHEREAS**, COVID-19 is a severe respiratory disease transmitted by person-to-person contact especially among older adults and persons with serious underlying health conditions, can result in serious illness requiring hospitalization, admission to an intensive care unit, and death; and

**WHEREAS**, the World Health Organization (WHO), the Centers for Disease Control and Prevention (CDC), and the Secretary of the United States Department of Health and Human Services have declared the outbreak of COVID-19 as a public health emergency; and

**WHEREAS**, working together now will reduce the widespread proliferation of COVID-19 now rather than suffering the unfortunate and devastating medical and economic consequences later; and

**WHEREAS**, the failure to successfully reduce the spread of COVID-19 will likely result in higher numbers of infected individuals and has the potential to overwhelm the capacity of the City's health care providers; and

5. Any violation of this ordinance is subject to a fine set by resolution in compliance with the general penalty provision in Section 10.99 of the City of Vermillion Municipal Code. Each day a violation of this ordinance is allowed to occur is considered a separate offense.

## *Council Agenda Memo*

**From:** Mike Carlson, Finance Officer

**Meeting:** August 17, 2020

**Subject:** Second Reading of Emergency Ordinance 1418 – an Ordinance to amend the special event definition and expand special licensing to current license holders

**Presenter:** John Prescott

**Background:** State statutes governing special daily licenses were changed in 2010 to allow on-sale wine, on-sale liquor, off-sale package wine dealers selling wine manufactured by SD Farm wineries, special off-sale package malt beverage licenses and that the special licenses could be issued to current license holders. In 2010, the City Council's Policies and Procedures Committee studied the license change options. The Committee recommended and the City Council adopted an ordinance that modified the definition of a special event and provided for the issuance of special on-sale malt beverage, special on-sale wine, and special off-sale package wine dealers license for wine manufactured by a farm winery (Valiant Vineyards is a farm winery) licenses. At that time, the committee and the City Council discussed but did not change the ordinance to allow a special on-sale liquor license or that current license holders could be issued a special license of any type. Special licenses were limited to civic, charitable, educational, veterans, or fraternal organization in conjunction with a special event.

At the June 15, 2020 regular meeting and a special meeting on June 22, 2020, the City Council completed two readings and adopted Emergency Ordinance 1415. This emergency ordinance amended the special event definition and provided that current license holders could apply for a special event license. This emergency ordinance expires on August 24, 2020 at midnight. At the August 3, 2020 regular meeting, the City Council approved first reading of Emergency Ordinance 1418. This emergency ordinance continues the opportunities provided in the expiring emergency ordinance for an additional 60 days,

**Discussion:** To continue the current practice found in a couple of downtown locations this summer, a change in the special event license is again needed as state statute requires a license holder to have a designated area in which they are responsible for sales and consumption. Outside of the property of a license holder's establishment, a special daily

license is needed. In the June meetings with the license holders, they wanted the ability for customers to purchase alcohol inside the business and then go outside as well as to allow for on-sale liquor sales. For a patron to be able to purchase inside the business and then walk outside to the parking area the licenses would need to be in the same name. There is also a statute that only allows a license to sell on the property that is owned or leased by the licensee, however there is an exception if the licensee is issued a special license.

35-1-5.6. Consumption of alcoholic beverages on on-sale premises from which beverage not purchased as misdemeanor--Exceptions.

It is a Class 2 misdemeanor for any person to consume any alcoholic beverage upon the premises of a licensed on-sale dealer if the alcoholic beverage was not purchased from the on-sale dealer. However, this provision does not apply to any passenger aboard a vehicle operated by a licensed carrier. A person may consume any alcoholic beverage upon the premises of a licensed on-sale dealer if the beverage is purchased from a licensee who has been issued a temporary license pursuant to § 35-4-124 for a special event occurring on the premises of the licensed on-sale dealer.

35-2-6.3. Ownership or lease of premises required of licensees--Ownership of business.

Any manufacturer, wholesaler, or retailer licensee under this title shall be the owner or actual lessee of the premises where the business is conducted and the sole owner of the business operated under the license. However, this section does not apply to a special event licensee issued a temporary license pursuant to § 35-4-124.

Expiring emergency ordinance 1415 and the current emergency ordinance 1418 under consideration for adoption are related to the COVID-19 pandemic where the need to social distance and utilize outdoor gatherings when possible are encouraged. Emergency Ordinance 1418 again does the same two things as Emergency Ordinance 1415 accomplished for 60 days. The first change is to amend the definition of "Special Event" to remove 112.01 (4) "The event is conducted without the intention of commercial or personal gain or profit". The second change is to 112.18(C) to provide that current license holders could be issued special licenses that correspond to the license(s) they are currently issued to include on-sale liquor. The special license(s) for current license holders can be issued without a public hearing as a public hearing was held when the business was issued their existing license(s). This special license issued to a business adjoining the closed parking spaces would allow for alcoholic beverages to be purchased in the business and taken outside. The license holder is still responsible to make sure the patron doesn't leave the designated area and will need to keep the sidewalks open for pedestrian traffic.

The same issue will again exist with regard to the fee. Currently the special daily license is \$20 per day and there is an advertising fee of \$15. If a public hearing is not required, there would be a savings of \$15. The City Council set the fee at \$100 for the life of Emergency Ordinance 1415.

The license fee is set by resolution so a change would require an emergency resolution. This is item 8a under New Business. To be issued a special license for city property requires proof of liability insurance and a release and indemnification from liability. There may be some cost for the liquor liability insurance. The emergency ordinance provides that it can be modified at any time by a resolution. This provides the City Council the ability to make changes, as needed, through adoption of a resolution versus the lengthier process of adopting a modifying ordinance.

At the June 22, 2020 meeting, the City Council approved seven different special event licenses. Only three of these approved special event permits completed the paperwork to utilize the outdoor space for alcohol sales for the first 60 days. An additional special event permit license was approved at the July 9, 2020 meeting and is operational.

With this change, there are several issues to resolve.

- Emergency Resolution adjusting special daily fee for license holders if deemed appropriate by City Council (item 8a under New Business)
- Closing of parking spaces or alley space to be used for outdoor seating areas. (item 8c under New Business)
- Special daily licenses from applicant(s). This item would address hours and days of operation, clean-up, restrooms, etc. Hours were set at 7am to midnight with the previous approvals. (item 8d under New Business)
- Identification of the days when alcohol would not be served in the outdoor areas. The State limits special event licenses to 15 days. The approach last time was to not have alcohol service available in the special event license space every other Monday. This item can be addressed as part of 8d under New Business.

Another unique feature to consider in adopting this ordinance is that a 60-day timeframe would include Dakota Days. What that event might look like in October 2020 is unknown at this point in time. With the sidewalk furniture zones, the City Council has approved alcohol sales but not on Dakota Days weekend.

**Financial Consideration:** The only cost is publication of the ordinance.

**Conclusion/Recommendations:** Administration recommends approval of the second reading of Emergency Ordinance 1418 to assist local businesses with additional space for customers to practice social distancing to help prevent the spread of COVID-19.

**EMERGENCY ORDINANCE NO. 1418**

**AN EMERGENCY ORDINANCE TO ALLOW FOR CURRENT LICENSEES TO BE ISSUED SPECIAL DAILY LICENSES IN CONJUNCTION WITH A SPECIAL EVENT BY AMENDING CITY OF VERMILLION CODE OF ORDINANCES TITLE XI, CHAPTER 112, TO AMEND SECTIONS 112.01 AND 112.18 FOR SPECIAL EVENT DEFINITIONS AND TO EXPAND SPECIAL LICENSING TO INCLUDE CURRENT LICENSE HOLDERS.**

**WHEREAS**, the City Council adopted Emergency Ordinance No. 1415 effective on June 25, 2020 to provide for current license holders to be issued special daily licenses in conjunction with special events which will be expiring on August 24, 2020, and

**WHEREAS**, the special daily licenses were issued in conjunction with the Vermillion Chamber of Commerce’s “Social Distance Expanded Seating” special event, and

**WHEREAS**, the University of South Dakota will be welcoming students back into the city during the month of August for the fall semester, and

**WHEREAS**, the Vermillion Chamber of Commerce to promote safety through social distancing requests on behalf of its members to continue the “Social Distance Expanded Seating” special event, and

**BE IT ORDAINED**, by the Governing Body of the City of Vermillion, South Dakota, and it is hereby ordained by authority of the same, that Sections 112.01 and 112.18 be amended to clarify special event as set forth below:

- (3) The event is open to the public with, or without, payment of admission. A limitation on number of tickets sold or issued for admission where applicable must be related to size of venue and not a desire to have a private party, and

- (A) The City Council may grant, after public hearing, a special on-sale malt beverage and/or a special on-sale wine license to a civic, charitable, educational, veterans, or fraternal organization in conjunction with a special event.
- (B) The City Council may grant, after public hearing, a special off-sale package wine dealers license to a civic, charitable, educational, veterans, or fraternal organization in conjunction with a special event. - (C) The City Council may grant a special on-sale malt beverage and/or a special on-sale wine license and/or a special on-sale liquor license to any licensee that corresponds to one or more license(s) currently issued to the licensee in conjunction with a special event pursuant to SDCL 35-4-124.
- (D) Any license issued pursuant to this section shall be issued to the person and the location specified on the application. Any license issued pursuant to this section may be issued for a period of time established by the municipality. However, no period of time may exceed 15 consecutive days. The granting of the special license shall be subject to such conditions and restrictions as the City Council may deem appropriate and consistent with state law.
- (E) The fee for such special licenses shall be set by resolution of the City Council.

**BE IT FURTHER ORDAINED**, that, pursuant to SDCL 9-19-13 this ordinance is necessary for the immediate preservation of the public peace, health, safety, and welfare of the City and shall become effective on August 25, 2020. ## *Council Agenda Memo*

**From:** John Prescott, City Manager

**Meeting:** August 17, 2020

**Subject:** Second reading of Emergency Ordinance 1419 to require signage that the wearing of face masks or face coverings is expected inside of buildings open to the public

**Presenter:** John Prescott

**Background:** As part of the special City Council meeting on Tuesday, August 11, 2020, the City Council approved the first reading of Emergency Ordinance 1419. The emergency ordinance requires that businesses have a sign which reads Face Masks or Face Coverings are expected. The attached copy of the Emergency Ordinance contains the changes in language that the City Council made prior to approval of the first reading.

**Discussion:** The City has been working with the University of South Dakota to promote continuity of signage across the community. A business does not have to use the templates which are available on the City's website. A sample of the template is included with the packet. A business would only need to provide the same message that face masks or face coverings are expected. The sign must be at least 8.5" x 11" and placed at the entrance or entrances to the business.

This ordinance is an emergency ordinance to provide the City Council with the ability to more quickly implement the requirement to address the ongoing, immediate health issue. An emergency ordinance would have a life of 60 days. City staff would place the continuation of the signage requirement on each regular meeting agenda during the 60 days to provide the opportunity to discuss continuing the requirement.

As with all ordinances, a fine needs to be established for non-compliance. A resolution to establish a fine is later on this agenda. The fine would be in addition to current court costs of \$72.50.

Enforcement of the sign ordinance will be the responsibility of the Code Compliance staff. These employees handle other signage related matters for the City.

**Financial Consideration:** None.

**Conclusion/Recommendations:** Administration recommends approval of the second reading of Emergency Ordinance 1419 to help promote the community culture of face covering / face mask wearing inside of buildings open to the public. A roll call vote is required with the second reading of any ordinance.

## *Council Agenda Memo*

**From:** John Prescott, City Manager

**Meeting:** August 17, 2020

**Subject:** Review of and possible continuation of Emergency Resolution encouraging the use of face coverings or face masks in buildings open to the public

**Presenter:** John Prescott

**Background:** At the special City Council meeting held on Tuesday, August 11, 2020, the City Council adopted an Emergency Resolution encouraging the wearing of face coverings or face masks in buildings open to the public. As it was an emergency resolution, the City Council was able to adopt it with the resolution becoming effective upon passage.

During adoption of the resolution as the City Council has done with most other emergency measures, there was discussion that the item would be on each regular City Council meeting agenda for review and continuation. An Emergency Ordinance or Resolution can be effective for up to 60 days.

**Discussion:** The resolution has not yet been in effect for a week. City Hall has received questions seeking clarification and understanding of what the adopted emergency resolution and Emergency Ordinance 1419 were and how they worked together. The second reading of Emergency Ordinance 1419 was the previous agenda item. Signs have been printed which reflect the intent of the Emergency Resolution and what Emergency Ordinance 1419 would require. The signs are available at City Hall or can be printed from the City's website.

**Financial Consideration:** None

**Conclusion/Recommendations:** Administration recommends that the City Council thoughtfully review information related to COVID-19 which changes continually and the Emergency Resolution recommending face coverings or face masks.

**EMERGENCY RESOLUTION CREATING AN EXPECTATION  
OF FACE COVERING DURING COVID-19 PANDEMIC**

**WHEREAS**, an outbreak of the COVID-19 disease, which is caused by the novel coronavirus, has been confirmed in more than 100 countries, including the United States; and

**WHEREAS**, COVID-19 is a severe respiratory disease transmitted by person-to-person contact, which especially among older adults and persons with serious underlying health conditions, can result in serious illness requiring hospitalization, admission to an intensive care unit, and death; and

**WHEREAS**, the World Health Organization (WHO), the Centers for Disease Control and Prevention (CDC), and the Secretary of the United States Department of Health and Human Services have declared the outbreak of COVID-19 as a public health emergency; and

**WHEREAS**, Governor Kristi Noem issued Executive Order 2020-26 which extended the previously declared state of emergency to exist in the State of South Dakota in response to the spread of COVID-19 until December 30, 2020; and

**WHEREAS**, cases of COVID-19 have been confirmed throughout South Dakota including Clay County; and

**WHEREAS**, the CDC and health experts have advised the use of face masks or face coverings over the nose and mouth will slow the spread of COVID-19; and

**WHEREAS**, the failure to successfully reduce the spread of COVID-19 will likely result in higher numbers of infected individuals and has the potential to overwhelm the capacity of the City's health care providers; and

**WHEREAS**, it is important that control measures be taken to reduce or slow down the spread of COVID-19 in order to protect the health and safety of the City's residents, especially for seniors and those with underlying health conditions that make them particularly vulnerable to COVID-19; and

**WHEREAS**, the South Dakota Board of Regents announced the requirement of face coverings or face masks for all students, faculty, staff and visitors in all public indoor spaces on the University of South Dakota campus; and

**WHEREAS**, the Vermillion Public School District will be requiring face coverings or face masks for students, faculty, staff and visitors in school district facilities; and

**WHEREAS**, the Vermillion City Council has adopted a face covering policy requiring face coverings or face masks for staff and visitors in city owned building; and

**WHEREAS**, there is an expectation in the city of the importance of wearing face coverings or face masks while inside public spaces by all residents, visitors or guests.

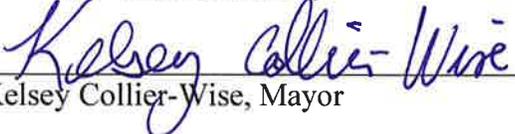

**NOW, THEREFORE, IT IS RESOLVED**, by the Governing Body of the City of Vermillion that:

1. All persons entering a commercial establishment in the City of Vermillion are encouraged to wear a face covering or face mask while inside the establishment.
2. All restaurants, retail stores, salons, grocery stores, establishments selling alcohol, pharmacies, lodging establishments, exercise facilities, establishments offering goods and services, or soliciting patronage from the general public are encouraged to require their employees to wear a face covering or face masked at all times while having face-to-face interactions with the public.
3. It is also understood that there are individuals that due to health or other reasons cannot wear a face mask or face covering and/or other situations where face masks or face coverings cannot be worn and in these instances individuals are encouraged to use other protective measures such as social distancing.

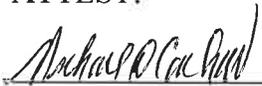

**BE IT FURTHER RESOLVED**, that, pursuant to SDCL 9-19-13, this resolution is necessary for the immediate preservation of the public peace, health, safety, and welfare of the City and shall become effective immediately upon passage. This resolution shall remain in effect for a period of sixty (60) days, at which time it shall be automatically repealed unless specifically readopted for an additional period of time by the City Council.

## *Council Agenda Memo*

**From:** James Purdy, Assistant City Manager

**Meeting:** August 17, 2020

**Subject:** Resolution adopting a fee for current license holders issued a special daily permit as part of Emergency Ordinance 1418

**Presenter:** James Purdy

**Background:** If Emergency Ordinance 1418 is adopted, it is anticipated that the current license holders will again want a fee different than the fee currently approved by the City Council. With the discussion around the development and adoption of Emergency Ordinance 1415, some of the license holders involved at that time proposed that the fee for the special daily license be reduced. The current cost of a special daily license is a \$15 advertising fee and a \$20 fee per day of operation. The City Council set the fee at \$100 for the life of Emergency Ordinance 1415.

**Discussion:** As the license holders have an annual public hearing on the renewal of their licenses, they are not required to have a public hearing for the issuance of a special daily permit. This negates the need for the \$15 advertising fee.

As noted above the fee for current special daily permit is \$20 per day. This fee has been for non-profits setting up for temporary events. With this arrangement, the current license holders are again looking to set up for extended periods of time of up to nearly 60 days. It has been suggested that a longer term or group pricing option be made available. As noted with the first emergency ordinance addressing this situation, there is some precedent for this type of setup. With itinerant merchants, the City offers three levels of pricing. The options are \$25 a day, \$75 a week or \$200 a month. If adopted earlier on this agenda, Emergency Ordinance 1418 would be in effect for 60 days. With the adoption of Emergency Ordinance 1415 which provided for the initial 60 days of this type of arrangement, the City Council set the fee for current license holders at \$100. The proposed resolution again establishes a fee of \$100 for the current license holders utilizing this option for the life of Emergency Ordinance 1418.

**Financial Consideration:** Revenue collected from Special Daily permits is added to the General Fund.

8. New Business; item a

**Conclusion/Recommendations:** Administration recommends approval of the Resolution adopting a fee of \$100 for the issuance of a Special Daily permit to license holders as part of Emergency Ordinance 1418.

**EMERGENCY RESOLUTION REVISING THE FEE FOR SPECIAL  
DAILY ON-SALE LICENSES**

**WHEREAS** Title XI Chapter 112 Section 112.18 of the 2008 Revised Ordinances of the City of Vermillion allows the City Council to change the fee for special alcoholic beverage licenses issued in conjunction with special events; and

**WHEREAS**, an outbreak of the COVID-19 disease has created financial challenges for many businesses in the community; and

**WHEREAS**, a group of business owners have been working with the Vermillion Chamber and Development Company to develop outdoor dining opportunities utilizing parking spaces and public right-of-way in Downtown Vermillion to provide additional space for social distancing and an environment which has a reduced risk of spreading COVID-19; and

**WHEREAS**, Ordinance No. 1418 was adopted as an emergency ordinance to be effective for sixty (60) days; and

**WHEREAS**, Emergency Ordinance 1418 provides for a special on-sale liquor license which will need a fee established; and

**WHEREAS**, the special recovery event will have licenses extended over many days during the sixty-day emergency ordinance.

**NOW, THEREFORE, BE IT RESOLVED** by the Governing Body of the City of Vermillion, South Dakota, at a regular meeting thereof in the Council Chambers of City Hall at 7:00 pm on the 17<sup>th</sup> day of August, 2020 that rates be changed and established as follows:

112.18 A. Special on-sale malt beverage and/or special on-sale wine license the fee shall be twenty dollars (\$20.00) per day (maximum of one hundred dollars \$100.00) plus a fifteen dollar (\$15.00) advertising fee.

112.18 B. Special off-sale package wine dealers license such license may only sell wine manufactured by a farm winery that is licensed pursuant to SDCL 35-12 the fee shall be twenty dollars (\$20.00) per day (maximum of one hundred dollars \$100.00) plus a fifteen dollar (\$15.00) advertising fee.

112.18 C. Special on-sale liquor license the fee shall be twenty dollars (\$20.00) per day (maximum of one hundred dollars \$100.00) plus a fifteen dollar (\$15.00) advertising fee.

Note: If the same entity is applying for licenses under both Sections 112.18 A, 112.18 B, or Section 112.18 C there shall only be one advertising fee and the advertising fee is waived if a public hearing is not required.

**BE IT FURTHER RESOLVED**, that, pursuant to SDCL 9-19-13 this resolution is necessary for the immediate preservation of the public peace, health, safety, and welfare of the City and shall become effective on August 25, 2020. This resolution shall remain in effect for a period of

sixty (60) days, at which time it shall be automatically repealed unless specifically readopted for an additional period of time by the City Council.

## *Council Agenda Memo*

**From:** John Prescott, City Manager

**Meeting:** August 17, 2020

**Subject:** Resolution adopting a fine for a violation of Emergency Ordinance 1419

**Presenter:** John Prescott

**Background:** Section 3 of Emergency Ordinance 1419 provides for a fine for those found in violation of the ordinance. The fine is to be set by resolution in compliance with the general penalty provision in Section 10.99 of the Vermillion City Code. Each day a violation of the ordinance occurs is treated as a separate violation. If the City Council does not adopt Emergency Ordinance 1419, this agenda item is not needed.

**Discussion:** The State establishes the parameters for fines in SDCL 9-19-3 and 22-6-2(2). Not establishing a fine by resolution requires the court or City Attorney to determine the amount of the fine levied should a violation occur. The most common fine cost for City Code violations is \$56.50. With court costs of \$72.50, a violation would result in a total cost of \$129.

**Financial Consideration:** Any fines collected for a violation would be added to the General Fund.

**Conclusion/Recommendations:** Administration recommends approval of the Resolution adopting a fine for the violation of Emergency Ordinance 1419.

**EMERGENCY RESOLUTION**

**ESTABLISHING A FINE FOR VIOLATION OF ORDINANCE 1419 TO REQUIRE SIGNAGE AT THE ENTRANCE TO BUILDINGS OPEN TO THE PUBLIC STATING THAT FACE COVERINGS ARE EXPECTED TO HELP SLOW THE SPREAD OF COVID 19 (CORONAVIRUS).**

**WHEREAS**, the City Council has adopted an Emergency Ordinance No, 1419 to require signage at the entrance of buildings open to the public stating that face coverings are expected to help slow the spread of the COVID-19 virus; and

**WHEREAS**, the City of Vermillion joins the University of South Dakota and the Vermillion Public School District, in setting a community expectation that masks will be worn while in indoor public spaces to reduce the spread of COVID-19; and

**WHEREAS**, the City recognizes that while it may not always be practical or necessary for patrons to wear masks or face coverings in all situations, the City wishes to help cement a community-wide culture that emphasizes respect for the health and safety of workers, residents, and visitors by wearing masks or face coverings when in buildings open to the public; and

**WHEREAS**, Emergency Ordinance No. 1419 provides that a fine be set by resolution for any violation of the ordinance; and

**WHEREAS**, Ordinance No. 1419 was adopted as an emergency ordinance to become effective after adoption; this fine resolution shall be considered an emergency to establish the fine for any violation.

**NOW THEREFORE BE IT RESOLVED**, by the Governing Body of the City of Vermillion, South Dakota, at a regular meeting thereof in the Council Chambers of said City at 7:00 p.m., CDT on the 17<sup>th</sup> day of August, 2020, that the fine for each violation be \$56.50 plus court costs, (Fine \$56.50 plus court costs of \$72.50 for a total \$129.00)

## *Council Agenda Memo*

**From:** James Purdy, Assistant City Manager

**Meeting:** June 22, 2020

**Subject:** Request from downtown businesses to close parking spots located on Main Street and a portion of the alley between 113 E. Main Street and 101 E. Main Street for the downtown Social Distance Expanded Seating Event beginning August 25 and ending October 24, 2020

**Presenter:** James Purdy

**Background:** Earlier this year, the City received a request from several downtown businesses to close 20 parking spots in the downtown business district beginning June 25 and ending August 24, 2020. The parking stalls were located on Main Street, Kidder Street, and Court Street. The closure request was in order to provide the space needed for the Social Distance Expanded Seating Event necessitated by the COVID-19 pandemic and the resulting economic hardship shared by many in the community. This set of street closings expire on August 24, 2020.

A smaller group of the original requests would like to continue the closure for another 60 days. The closures are related to the implementation of Emergency Ordinance 1418. Businesses on Main Street have requested the continuation of the following parking stall closures:

- 1) Dakota Brickhouse has requested the continued closure of 5 spots starting at the west end of the building and moving east.
- 2) R-Pizza and The Bean have requested the continued closure of 5 spots starting at the eastern most parking spot in front of R-Pizza and moving west (2 of those spots are located in front of the theatre).
- 3) Café Brule have requested the continued closure of some parking spots. The exact number has not yet been defined by the applicant as the area to be closed is smaller as Carey's is not part of the second round of closures.

The Varsity Pub has requested the continued closure of the south end of the alley between their establishment and the First Baptist church. The area is approximately 18 feet by 42 feet.

**Discussion:** The businesses have utilized the closed parking spaces or alley space to varying degrees to provide the outdoor space needed for the event. Unless something is changing, the barrier and fencing plan from the participating businesses submitted with the first round of approvals will be utilized for the second round. The plans are designed to help ensure the safety of patrons utilizing the public right-of-way for dining or drinking from the street traffic, and to prevent alcohol sales or consumption from taking place outside of the designated areas. The barriers must meet MUTCD, FHWA, and AASHTO standards.

One area shared by two businesses may be divided into two separate areas due to there being two different license holders. The businesses will be required to provide trash receptacles, furniture, ADA access points, and restroom access. The businesses will also need to continue to clean the areas, as the street sweeper will not be able to access these areas.

The Police, Fire, Street, and EMS Departments were notified of the original closure request and did not have any safety concerns as long as appropriate barriers were utilized. The partial alley and parking stall closures have not resulted in additional calls for service during the initial 60-day period. City staff received one complaint about the closure of parking stalls for the initial 60-day closure of the Main Street parking stalls.

**Financial Consideration:** None.

**Conclusion/Recommendations:** Administration recommends that the City Council approve the closure of the requested alley and parking spots as noted in the memo for continuation of the downtown Social Distance Expanded Seating Event beginning August 25 and ending October 24, 2020.

## *Council Agenda Memo*

**From:** Mike Carlson, Finance Officer

**Meeting:** August 17, 2020

**Subject:** Consideration of Special Event License permits for Varsity Pub, LLC for the Varsity Pub at 113 E Main Street, Fireworks, Inc. for the Dakota Brick House at 15 W Main Street Bebee Street II, Inc for Carey's Bar at 18 W Main Street and Café Brule, Inc. for Café Brule at 24 W Main Street. Special event permits are for the period of August 25, 2020 to October 24, 2020 with no sales on September 7, September 21, October 5, and October 19, 2020. Hours vary be applicant.

**Presenter:** Mike Carlson, Finance Officer

**Background:** In anticipation of the adoption of Emergency Ordinance 1418, the closing of parking spaces and a portion of an alley, and establishing a license fee earlier in the meeting, contact was made with license holders that had received special licenses that will be expiring on August 24. There were four special event licenses issued earlier this summer to Fireworks Inc for Dakota Brick House, Café Brule, Inc for Café Brule, BeBee Street II, Inc for Carey's Bar, and Varsity Pub, LLC for the Varsity Pub. These license holders were sent notice that the 60-day period of the special event license would be ending on August 24 and that on the August 17 agenda would be second reading of an emergency ordinance that will provide for another 60-day period and that an application is needed for the new period. All four previous special event license holders requested and returned applications for the special events license provided for by Emergency Ordinance 1418. The special licenses would be for the special event licenses for the period of August 25 to October 24 with the exclusion of September 7, September 21, October 5, and October 19, 2020. Copies of the applications are attached.

**Discussion:** Included earlier on this agenda is second reading of emergency ordinance 1418, the request to close parking spaces and a portion of the alley, and also a resolution establishing the fee for the license. Approval of second reading of emergency ordinance 1418, the closure of the public right-of-way, and setting the fee are needed to facilitate the special event. If any of these items are not approved the special license applications will not be needed.

The current special events licenses will be expiring at midnight on August 24, and staff has not been aware of any issues during this time period. Staff developed the attached Support for Special Event Alcoholic Beverage application to try and gather additional

information for the City Council to consider. A release and indemnification form releasing the city from any liability for the special event and a certificate of insurance naming the city as an additional insured is also required. From the applications received the hours listed were 3:00 p.m. to 2:00 a.m., 7:00 a.m. to 9:00 p.m., 2:00 p.m. to 11:00 p.m. and 7:00 a.m. to 2:00 a.m. The City Council will also need to set the time that consumption will be allowed in the closed areas. With the previous special event licenses, the end time was set at midnight.

As this time period of the special licenses includes what would normally be the Dakota Days consideration may need to be given to exclude Dakota Days October 2 & 3 from the special events licensed in the closed Main Street parking spaces. At present, a street closure request has not been received for Dakota Days.

**Financial Consideration:** The special license fee was previously set at \$100 and will be addressed earlier on the agenda.

**Conclusion/Recommendations:** Administration recommends the City Council review the respective Special Event applications, including hours of operation (that were 7:00 a.m. to midnight in the past) and should be contingent upon establishing barriers or fencing to define the designated areas and to provide safety for those using the area, and other control measures to prevent alcoholic beverages from leaving the designated area and to prevent under age access to alcoholic beverages. The special event license would be for August 25 to October 24 excluding September 7, September 21, October 5, and October 19, 2020. If Dakota Days is to be excluded that would be October 2 & 3.

## *Council Agenda Memo*

**From:** John Prescott, City Manager  
**Meeting** August 17, 2020  
**Subject:** BID #1 Board recommendation to utilize reserve funds  
**Presenter:** John Prescott

**Background:** Business Improvement District (BID)#1 began collecting a \$2 per night fee on occupied hotel rooms on June 1, 2014. In 2017, the Board identified the need to establish a reserve fund. The Board proposed and the City Council approved a recommendation to remit 85% of receipts to the VCDC for tourism until a reserve fund of \$30,000 was established. The \$30,000 reserve fund level was achieved in 2018. COVID-19 has significantly impacted hotel stays in Vermillion and around the country in 2020. At the May 18, 2020 meeting the City Council considered a recommendation from BID Board #1 which had been submitted to them by the Vermillion Area Chamber and Development Company. The VCDC was requesting to utilize funding from the BID #1 reserve fund to stabilize payments that are used for community marketing. At the May 18, 2020 meeting, the City Council agreed with the BID Board recommendation and allowed the use of BID #1 reserve funds to stabilize payments to the VCDC for the first and second quarter of 2020.

**Discussion:** BID #1 Board met on July 29, 2020. The BID Board noted that \$6,069 of reserve funds were used to make up the difference between actual receipts and the 5-year average for the first and second quarter of 2020. The BID Board's recommendation for the third and fourth quarter of 2020 was the same as the action taken for the first two quarters of 2020. The recommendation was to have the BID #1 reserve fund make up the difference between the net BID receipts collected for remittance to the VCDC vs. the average for that quarter paid to the VCDC. The Board again suggested using the five-year average for the third and fourth quarter to determine the average net BID payment to the VCDC for the third and fourth quarter of 2020.

Third quarter 2020 BID receipts are not yet available. The receipts for the month of August are not due until September 20, 2020. All of the information reviewed by the BID Board indicates that receipts will be down for the third quarter and the trend is anticipated

to continue into the fourth quarter of 2020. June 2020 BID receipts were down 39% in comparison to June 2019. June 2020 BID receipts were \$3,690.

The 2015 – 2019 average history is calculated based on the amount actually paid quarterly to the VCDC from the amount collected from lodging establishments. Per State Statutes, the City does receive a 2% fee for collection and processing based on the amount collected. The amount going to the VCDC is calculated after the 2% is deducted. The numbers have been rounded off to whole dollar amounts:

	<u>5-year average</u>
July - September	\$15,171
October - December	\$12,087

The Board has at both meetings during their discussion noted that rebuilding the reserve fund will impact the dollars going to the VCDC in the future. No decision has been made on when to begin rebuilding the reserve fund. The policy question is the amount to which the City Council is comfortable with this reserve fund being reduced. The Board had a discussion on capping the maximum amount of reserve funds to be utilized but ultimately did not include a cap on their motion to recommend.

**Financial Consideration:** As noted the reserve fund began the year with a balance of \$30,000. For the first six months of the year, \$6,069 has been utilized to make up the difference between actual collections and the five-year average. There is sufficient funding to make payments to account for the difference for the third and fourth quarter between the amount collected for payment to the VCDC and the 5-year average.

**Conclusion/Recommendations:** The BID Board #1 recommendation is to allocate a portion of the BID #1 reserve funds to the VCDC to provide the VCDC with funding equal to the five-year quarterly net average payment. The recommendation is to utilize the reserve fund for the third and fourth quarter 2020.

A. Report on 2019 BID receipts

Mike Carlson, Finance Officer, reported that BID receipts for 2020 are down for the first two quarters by \$10,090 compared to 2019. Mike reported that based upon the BID Board recommendation as approved by the City Council payments to the VCDC for marketing for the

first two quarters included using reserves to bring the quarterly marketing payment to the five-year quarterly average. Mike noted that \$1,468 of reserves were used for the first quarter and \$4,601 of reserves were used for the second quarter for the marketing payment to the VCDC to bring the marketing payment up to the five-year average. Mike reviewed the monthly occupancy percentages that were below 2019 noting that June BID receipts were about 60% of 2019. Discussion followed on the occupancy with Bill Marketon stated his occupancy is down compared to last year and that he is marketing to construction and other areas with discounts to fill rooms. Discussion followed on the occupancy

#### B. Report on upcoming events

David Herbster reported on Summit League push back of fall sports start and that more information will be available in the next few weeks. David reported student move in is August 14-15-16. Nate Welch, Executive Director of the VCDC, reported the Ribs, Rods & Rock n Roll will be holding the competition only with the competitors and judges without spectators this year, the Thursday's on the Platz events are being held with lower turnouts, the Oktoberfest event has been cancelled, the golf Pro Am will be next week at the Bluffs and at present have not heard about the status of the Dakota Wine Festival. Discussion followed on area events including USD move in, Dakota Days and other events.

#### C. VCDC utilization of BID # 1 reserve funds.

Mike Carlson reported that at the May meeting the BID Board recommended that the City Council use BID reserves to bring the quarterly marketing payments to the VCDC to the five-year average of funding. Mike noted that for the first quarter this was \$1,468 and second quarter \$4,601 so \$6,069 of the reserve has been used. Mike noted that if room occupancy would range from 65% in July to 85% in December to continue the use of reserves in third and fourth quarters is estimated to use \$4,600 of the reserve. Mike noted that if the occupancy was less the reserves used would be higher. Nate Welch, Executive Director of the VCDC, thanked the BID Board for the additional funding and requested it be continued for the third and fourth quarters of this year. Nate noted the funding has allowed the marketing to continue and evolve with smaller events that promote the community and the continued marketing to stay ahead of the curve. Nate noted that there has been a pull back on events but video promotions and web site have increased. Discussion followed with Bill asking if there could be a cap on the amount to know how long the reserve will last.

10-20

Greg Huckabee moved to recommended to the City Council to continue to use BID reserve funds to make the quarterly marketing payments to the VCDC at the five-year average as was done for the first and second quarters. Amy Christensen seconded the motion. Bill Marketon stated he would not approve as he would like to see a cap on the amount. Christensen – Y, Huckabee – Y, Marketon – N, Chairman Herbster – Y. Chairman Herbster declared the motion adopted. John Prescott, City Manager, reported the recommendation would be presented to the City Council at the August 17 meeting.

#### D. Review of Budget for 2021

Mike Carlson, Finance Officer, reported that the budgeted revenues for 2021 were estimated at the high of \$60,000 which is somewhat of an unknown at this time. Mike stated as to the payment to the VCDC two options were put together one providing 98% to the VCDC and the second providing 85% to the VCDC with 13% going to rebuild the reserve as was done in the past to build the reserve to \$30,000. Discussion followed on the continuing the 98% to the VCDC for 2021 and look to rebuild the reserve in 2022. Nate noted that the VCDC wants to continue to market the community and would be willing to provide quarterly updates. Nate noted they would need to continue to change with who we market too.

11-20

Greg Huckabee moved to recommend to the City Council a budget for 2021 of revenues of \$60,000 and expenses of 98% to the VCDC for marketing and 2% to the city for collecting. Amy Christensen seconded the motion. Christensen – Y, Huckabee – Y, Marketon – Y, Chairman Herbster – Y. Chairman Herbster declared the motion adopted

The BID Board recommended and the City Council approved that 85% of the BID receipts would be provided to the VCDC for Tourism and Marketing until the BID reserve reached \$30,000 at which time the VCDC would received 98% of the BID receipts as the City is allocated 2% for accounting. The \$30,000 reserve was reached in the third quarter 2018. The BID reserve funds were to be allocated to special needs as recommended by the BID Board with the approval of the City Council.

The BID Boards recommendation at the May 2020 meeting was to use reserve funds to make up the difference between the average of the prior five year quarterly payments thus the reserve used for first quarter was \$1,468 and second quarter will be \$4,601.

## *Council Agenda Memo*

**From** Jose Dominguez, City Engineer

**Meeting:** August 17, 2020

**Subject:** Grant Offer for Airport Improvement Program (AIP) Project No. 3-46-0056-014-2020 at Harold Davidson Field (for the Reconstruction of 2,200-feet of Hangar Area Taxiway)

**Presenter:** Jose Dominguez

**Background:** The existing Capital Improvement Plan (CIP) for the airport calls for the reconstruction of the taxiway by the hangars.

The grant agreement stipulates how the project will be funded as well as the criteria that must be followed during the development of the plan. This is similar to the agreement entered into by the City and FAA in 2017 for the reconstruction of the apron. Similar to that agreement, the State will administer the reimbursements and will also handle any submittals required by the Federal government.

**Discussion:** Originally this project was scheduled to be completed in 2019. Due to construction scheduling, and cash flow with the Federal funding sources, the City was instructed by the FAA that the project would become a 'multi-year' project. This meant that the City would be able to award the project in 2020 to secure the prices, but that it would be constructed in 2021 when all of the funding was secured.

Due to the size, the 55-page grant offer document is not included with the memo. However, the grant document offer is available for review at City Hall or staff will email it out.

**Financial Consideration:** There is no cost to the City at this point. However, due to the 'multi-year' aspect, and the CARES Act adopted by the Federal government since the pandemic, the City will see a large savings on the project. Prior to the pandemic the City had budgeted to be reimbursed for 95% of the construction cost. This meant that the City's share of the project cost would be \$46,917. With the CARES Act, the Federal government will cover 100% of the cost for the 2020 Federal fiscal year. This means that the City would be responsible for 6.5% of the cost for the 2021 Federal fiscal year, or \$9,750.

In the future, the FAA will be sending a formal amendment to this AIP. This amendment will state the financial obligations for the 2021 fiscal year. This amendment would have to be reviewed by the City.

**Conclusion/Recommendations:** Administration recommends allowing the Mayor to sign the Grant Offer for Airport Improvement Program (AIP) Project No. 3-46-0056-014-2020 at Harold Davidson Field (for the Reconstruction of 2,200-feet of Hangar Area Taxiway).

Additionally, the FAA has requested that the City Council allow the Mayor or Council President to sign all future documents related to AIP 3-46-0056-014-2020 (i.e. the amendment for the 2021 fiscal year). This would expedite the process with the State, and FAA, to receive future reimbursements associated with this project, and complete the reconstruction of the taxiway without any delays.

## *Council Agenda Memo*

**From:** Mike Carlson, Finance Officer  
**Meeting:** August 17, 2020  
**Subject:** Resolution Fixing the Time and Place for a Hearing and Notice of Hearing on the Special Assessment Roll for Nuisance Abatement  
**Presenter:** Mike Carlson

**Background:** As part of the nuisance abatement process, the City incurred costs for grass and weed tagging, snow tagging, the hiring contractors to mow or remove snow, and also the removal of debris. The following state statute provided for the special assessment of these costs:

21-10-6. Abatement of nuisance--Notice required--Taxing cost of abatement--Civil action. A public nuisance may be abated without civil action by any public body or officer as authorized by law. Any municipality, county, or township may defray the cost of abating a public nuisance by taxing the cost thereof by special assessment against the real property on which the nuisance occurred. If the nuisance abated is an unsafe or dilapidated building, junk, trash, debris, or similar nuisance arising from the condition of the property, the municipality, county, or township may commence a civil action against the owner of the real property for its costs of abatement in lieu of taxing the cost by special assessment.

Any private person may also abate a public nuisance which is specially injurious to such person or any private nuisance injurious to such person by removing or if necessary destroying that which constitutes the nuisance without committing a breach of the peace or doing unnecessary injury. If a private nuisance results from a mere omission of the wrongdoer, and cannot be abated without entering upon the wrongdoer's land, reasonable notice shall be given to the wrongdoer before entering to abate it.

**Discussion:** The special assessment process provides that the Governing Body: (1) set a public hearing; and (2) notify the property owners of the hearing by both sending notice and publishing the notice of the hearing. The notice calls for the public hearing to be held on September 21, 2020. Following the public hearing on September 21, the City Council will be asked to adopt a resolution approving the special assessment roll with any adjustments in the amounts.

**Financial Consideration:** The cost will be postage and the publication of the notice.

**Conclusion/Recommendations:** Administration recommends the adoption of the resolution that sets the public hearing date of September 21, 2020 for special assessment roll for nuisance abatement.

## *Council Agenda Memo*

**From:** James Purdy, Assistant City Manager

**Meeting:** August 17, 2020

**Subject:** Resolution authorizing the purchase of landfill bale bags

**Presenter:** James Purdy

**Background:** The landfill baler compresses the solid waste into bales and slides them into polypropylene bags before the baled waste is transported to the landfill cell. Bale bags are used on a daily basis. The bags are capable of containing up to a 2,800-pound bale.

The Solid Waste Department would like to purchase a semi-load of bale bags from the bid awarded by the City Council last November. Last year's bid specs were sent to four possible bidders. Two bids were received. The low bid was from Global Packaging Solutions, LLC of New York. At the November 4, 2019, the City Council awarded the purchase of landfill bale bags at \$3.20 per delivered bag for up to 17,500 bags total of \$56,000. A semi-load can contain up to 17,500 bags that should handle 9-10 months of baled solid waste. Due to the way pallets of bags are packaged and shipped, the quantity can vary per load. The City received 14,510 bags with the November order for a total cost of \$46,432.

**Discussion:** Staff feels the price remains attractive, and saves the City from preparing bid specifications and associated bidding costs. Global Packaging Solutions, Inc. has verified that they are willing to honor their bid price of last November. The City by state bid law can utilize the bid price for one year after award.

**Financial Consideration:** The cost of the semi-load of bale bags to the Joint Powers Landfill fund is determined by the number of bags shipped. The price is \$3.20 per delivered bag. A full 17,500 bags would be \$56,000. The 2020 Joint Powers Landfill budget includes funding for landfill bale bags.

**Conclusion/Recommendations:** Administration recommends purchasing landfill bale bags from the bid awarded by the City of Vermillion in November 2019 at \$3.20 per delivered bag up to a maximum amount of \$56,000.

**RESOLUTION  
AUTHORIZING PURCHASE OF  
SOLID WASTE BALE BAGS**

**WHEREAS**, SDCL 5-18-18 authorizes a governmental entity to purchase necessary supplies from the lowest responsible bidder from a contract that was competitively solicited and awarded within the previous twelve months with the concurrence of said bidder, and;

**WHEREAS**, the City of Vermillion on November 4, 2019 awarded Global Packaging Solutions, LLC of New York a bid in the amount of \$3.20 per bag delivered for 17,500 landfill baler bags for a total of \$56,000, and;

**WHEREAS**, the City has contacted Global Packaging Solutions, LLC and they have agreed to honor their November 2019 bid price and allow the City to purchase up to 17,500 solid waste bale bags in a semi-load for the awarded prices and terms as they have previously provided to the City.

**NOW, THEREFORE, BE IT RESOLVED**, by the Governing Body of the City of Vermillion, that the City Finance Officer is hereby authorized to purchase up to 17,500 solid waste bale bags in a semi-load from Global Packaging Solutions, LLC of Valley Stream, New York at the awarded price of \$3.20 per delivered bag and under the same terms as when the City awarded a bid to this company on November 4, 2019.
