b. Agenda Items: Public testimony will be taken at the beginning of each agenda item, after the subject has been announced by the Mayor and explained by staff. Any citizen who wishes may speak one time for 5 minutes on each agenda item. Public testimony will then be closed and the topic will be given to the governing body for possible action. At this point, only commission members and staff may discuss the current agenda item unless a commission member moves to allow another person to speak and there is unanimous consent from the commission. Questions from commission members, however, may be directed to the public through the presiding officer at any time.
