John noted that this Emergency Ordinance placed restrictions on public gathering places and entertainment venues such as bars, restaurants, movie theaters, video lottery casino operations, and similar places of public accommodation as well as nail and hair salons, barber shops, health clubs, and spas where individuals are in close contact. John noted the ordinance expired on May 30, 2020. John reported that, at the June 1, 2020 meeting, the City Council considered a number of issues related to COVID-19 during the discussion at the second reading of Emergency Ordinance No. 1414. John noted that the City Council did not adopt Emergency Ordinance No. 1414 but requested staff to prepare a resolution that was similar to the language in the two ordinances. John stated that the draft resolution was shared with the business community and posted on the City's website on Monday, June 8th. John noted that two comments

on the resolution had been received by the City staff and provided to the City Council. John reviewed the contents of the emergency resolution. John recommended that the City Council thoughtfully review information related to COVID-19 which changes continually and determine if the Emergency Resolution should be adopted. John also noted that the City Council is also asked to provide staff guidance on the park basketball courts and playground equipment access.

Nate Welch, Executive Director of the VCDC, reported on the meeting held with local businesses regarding the resolution with the proposal that the VCDC create a Revitalize Vermillion Campaign whereby local businesses pledge to follow the CDC, State and local guidelines and the VCDC communicates to the public which businesses have committed. Nate noted that certificates would be provided to the individual businesses completing the pledge.

Collin Lind, with Pizza Ranch, thanked the City Council for working with the businesses on developing the resolution noting that customers are accepting the social distancing and following guidelines.

Discussion followed on the resolution and the proposal from the VCDC on Revitalize Vermillion Campaign as well as who is responsible to keep the public safe. It was noted that the emergency resolution will only apply for 60 days and will need to be reconsidered about the time the students return while the Revitalize Vermillion Campaign will continue.

John Prescott, City Manager, indicated that, with the earlier items on the agenda, the Vermillion Thursdays on the Platz group are again planning to hold several events in downtown Vermillion on the Platz. John reported that this summer's events are scheduled for July 9th, July 16th, July 23rd, August 6th, August 13th, August 20th, and August 27th, 2020. John reported that Street, Police, Fire and EMS department have been notified of the event and did not have any concerns. Alderman Holland moved approval of the street closing request for Market Street from West Main Street to the south end of Ratingen Platz, as well as West Main Street from the west line of the West Main and Court Streets intersection west through the west side of Ratingen Platz from 4:00 p.m. to 8:00 p.m. on the dates of July 9th, July 16th, July 23rd, August 6th, August 13th, August 20th, and August 27th, 2020 for "Thursdays on the Platz" events. D. First reading of Emergency Ordinance No. 1415 to amend title XI, Chapter 112 amending Section 112.01 Special Event Definitions and 112.18 amending Special Event Licensing to include current license holders

John Prescott, City Manager, stated that special licenses are currently available for malt beverage and wine to civic, charitable, educational, veterans or fraternal organizations. John stated that Leslie Gerrish from the Bean contacted the City stating that she had been brainstorming with

Nate Welch about options for customers to have more areas to social distance as not all customers want to be inside a business at any capacity. John reported that Leslie noted that some towns (outside of SD) have been creative with their outdoor spaces by using parking lots, sidewalks, and streets as extensions of restaurants and bars. John reported on meetings with Leslie, the VCDC and local businesses on June 5th and June 11th as well as numerous other conversations regarding closing parking spaces and special licenses. John noted that the consensus of the group was to request the City Council to amend the ordinance to allow current license holders to apply for a special license for the sale of alcoholic beverages that correspond to the license that they are currently issued. John noted that this would allow special on-sale liquor licenses if the business has a liquor license. John noted that the changes would be done as an emergency ordinance to allow for the implementation prior to mid-July knowing that it will expire in 60 days. John stated that the VCDC will continue to work with the group on a recommendation on emergency ordinance start date, a beginning and ending time for daily alcoholic beverage sales, the type of barricades that will be used (need to meet the DOT safety requirements), a recommendation as to uniform days to allow alcohol sales that are less than the 15 consecutive days to comply with state statute, clean up as the street sweeper cannot access the closed area and beside the barricades, and how many parking spaces will be closed at each location for a report at second reading. John noted that the group also wanted to change the special license fee which is currently \$20 per day plus \$15 for advertising and proposed that an emergency resolution be considered at second reading but wanted input from the Council on the amount. John noted that a special meeting has been scheduled for Monday, June 22nd at noon to address related items if the first reading of Emergency Ordinance No. 1415 is adopted. John stated that the items on the agenda related to this topic may include 2nd reading of Ordinance No. 1415 (if 1st reading is approved), Emergency Resolution adjusting special daily fee for license holders if deemed appropriate by City Council, street closings for parking spaces to be used for outdoor seating areas and special daily licenses from applicant(s).

Jim Waters, owner of Café Brule and Dakota Brick House stated that allowing the closing of parking spaces to expand business seating will allow for increased social distancing that some customers want. Jim reported on the five proposed locations and requested City Council support on the ordinance change as well as additional steps.

Discussion followed on the additional items needed at second reading.

171-20

Mayor Collier-Wise read the title to the above mentioned Ordinance and Alderman Hellwege moved adoption of the following Resolution:

BE IT RESOLVED that the minutes of this meeting shall show that the title to proposed Emergency Ordinance No. 1415 entitled An Ordinance Amending sections 112.01 and 112.18 special events definitions and to expand special licensing to include special on-sale liquor licenses issued to current license holders of the City of Vermillion, South Dakota has been read and the Ordinance has been considered for the first time in its present form and content at this meeting being a regularly called meeting of the Governing Body of the City on this 15th day of June, 2020 at the Council Chambers in City Hall in the manner prescribed by SDCL 9-19-7 as amended.
