

**ORDINANCE 1472**

**AN ORDINANCE AMENDING TITLE V, PUBLIC WORKS; CHAPTER 53, WATER, SEWERS, AND SEWAGE DISPOSAL; SECTION 53.018 OF THE REVISED ORDINANCES OF THE CITY OF VERMILLION, SOUTH DAKOTA, TO INCLUDE AS A CLASS II USER WHEN A SANITARY SEWER FLOW METER IS REQUIRED.**

**BE IT ORDAINED**, by the Governing Body of the City of Vermillion, South Dakota, that Chapter 53, Section 53.018 be amended as follows:

**§ 53.018 RATES.**

(A) Class I Residential, Commercial and Industrial Users.

The monthly sewer charge to each user for ordinary use of the public sanitary sewer utility shall be equal to a percentage, set from time to time by resolution of the Council, of the average monthly charges made for water during the last January, February, and March period to any person occupying any premises served by the utility and to their successors in the occupancy. In cases where the premises were unoccupied during the months of January, February, and March and/or where the use of the premises has significantly changed the water usage, the sewer charge may be based on the average usage during 3 other months of the year. In cases where sanitary sewer flow meters are required, sewer charges shall be based on Class II user.

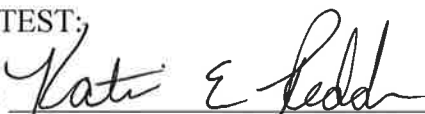

(B) Class II Commercial and Industrial Users.

The monthly sewer charge for each user shall be determined as outlined in § 53.110 through § 53.123 and shall be set by resolution of the Council.
